

FUTSAL TASMANIA SIGN ON SYSTEM

What you must do -

- All teams must register their teams and players on the allocated sign on days
- All players must pay registration on sign on days or at least fill in forms and make arrangements
- All team nominations must be filled out prior to or on the day of signing on
- If for any reason this can not occur arrangements need to be made with Futsal Tasmania

Why this system is in place-

- To ensure competition runs smooth
- Eliminate the huge influx of registrations going to night managers
- Ensure all teams are organised and registered
- Ensure all players are covered by full insurances before competition kicks off
- Ensure rosters can be put in place early without multiple late entries flowing in
